Re: Indiana University Student Health Statistics

Indiana State Department of Health
2 N. Meridian Street
Indianapolis, IN 46204

Dear Indiana State Department of Health Public Records Coordinator:

I represent The IU Family for Choice, not Mandates, Inc. Pursuant to the Access to Public Records Act (Ind. Code 5-14-3), I would like to obtain copies of the following public records:

- (1) for the school years, 2019-2020 and 2020-2021, the total number of IU students on all campuses who "self reported as a close contact" by being in close contact with someone with a confirmed case of COVID-19 and, of these student who self report, the number of students who contracted COVID-19, who had any symptoms from a COVID-19 infection, who obtained any reported medical treatment or received medical treatment on campus for a COVID-19 infection and who died with a COVID-19 infection.
- (2) for the school years, 2019-2020 and 2020-2021, the total number of IU students on all campuses who were tested for the COVID-19 virus, the number of students who were infected with the COVID-19 virus, the number of students who received any reported medical treatment or received medical treatment on campus for the COVID-19 infection, and the number of students who died from the COVID-19 virus.
- (3) for the school years, 2020-2021, the total number of IU students on all campuses who received a COVID-19 vaccination and the number of students who suffered any adverse reaction to a COVID-19 vaccination and what the adverse reaction was.
- (4) for the school years, 2016-2017, 2017-2018, 2018-2019, 2019-2020 and 2020-2021, the total number of IU students on all campuses who were affected by any disease, injury or condition, the name and the nature of each disease, injury or condition, the number of students who obtained any

reported medical treatment or received medical treatment on campus for each disease, injury or condition, and the number of students who died as a result of each disease, injury or condition.

(5) for the school years, 2016-2017, 2017-2018, 2018-2019, 2019-2020 and 2020-2021, the total number of IU students on all campuses who suffered an unintentional injury, the cause of each injury, the number of students who obtained reported medical treatment or received medical treatment on campus for each injury, and the number of students who died as a result of each injury.

(6) for the school years, 2016-2017, 2017-2018, 2018-2019, 2019-2020 and 2020-2021, the total number of IU students on all campuses who have suffered from some form of mental illness, the nature of the mental illness, the number of students who obtained counseling or reported treatment for a mental illness or received medical treatment on campus, and the number of students whose mental illness contributed to their death and how the student died.

(7) for the school years, 2016-2017, 2017-2018, 2018-2019, 2019-2020 and 2020-2021, the total number of IU students on all campuses who attempted suicide, the number of students who obtained reported medical treatment for any injury as a result of attempting suicide or received medical treatment on campus, and the number of students who died as a result of the suicide attempt.

(8) for the school years, 2016-2017, 2017-2018, 2018-2019, 2019-2020 and 2020-2021, the total number of IU students on all campuses who attempted to harm themselves, the number of students who obtained any reported medical treatment for any injury from the attempt or received medical treatment on campus, and the number of students who died as a result.

(9) for the school years, 2016-2017, 2017-2018, 2018-2019, 2019-2020 and 2020-2021, the total number of IU students on all campuses who suffered an injury that was related to the consumption of alcohol, the type of injury, the number of students who obtained any reported medical treatment for that injury or received medical treatment on campus, and the number of students who died as a result of that injury.

(10) for the school years, 2016-2017, 2017-2018, 2018-2019, 2019-2020 and 2020-2021, the total number of IU students on all campuses who suffered an injury that was related to the use of automobiles, the type of injury, the number of students who obtained any reported medical treatment for any injury or received medical treatment on campus, and the number of students who died as a result of that injury.

(11) for the school years, 2016-2017, 2017-2018, 2018-2019, 2019-2020 and 2020-2021, the total number of IU students on all campuses who contracted a socially transmitted disease, the total number for each such disease, the number of students who obtained any reported medical treatment for each such disease or received medical treatment on campus, and the number of students who died as a result of each such disease.

(12) for the school years, 2016-2017, 2017-2018, 2018-2019, 2019-2020 and 2020-2021, the total number of IU students on all campuses who suffered an intentional injury, the cause of each injury, the number of students who obtained any reported medical treatment for each injury or received medical treatment on campus, the number of students who died as a result of each injury, and the total number of criminal charges brought and the nature of the criminal charges.

(13) for the school years, 2016-2017, 2017-2018, 2018-2019, 2019-2020 and 2020-2021, the total number of IU students on all campuses who suffered any negative effect from or adverse reaction to the use of a controlled substance or prescription medication, what controlled substance or prescription medication was involved, the number of students who obtained any reported medical treatment for the negative effect or adverse reaction or received medical treatment on campus and the number of students who died as a result of the negative effect or adverse reaction.

(14) for the school years, 2016-2017, 2017-2018, 2018-2019, 2019-2020 and 2020-2021, the total number of IU students on all campuses who contracted the flu, the type of flu involved, the number of students who obtained any reported medical treatment as a result of the flu or received medical treatment on campus, and the number of students who died as a result of the flu.

(15) for the school years, 2016-2017, 2017-2018, 2018-2019, 2019-2020 and 2020-2021, the total number of IU students who were in contact with the Student Health Center on each campus, and, for each campus Student Health Center, what disease, injury or condition they were diagnosed to have, the name and the nature of each disease, injury or condition, the number of students who obtained any reported medical treatment for each disease, injury or condition, and the number of students who died as a result of each disease, injury or condition.

(16) for the school years, 2016-2017, 2017-2018, 2018-2019 and 2020-2021, the State Department of Health Annual Summary Reports for Indiana University per Ind. Code 21-40-5-11.

We are seeking public records with statistical information. If the public record contains any identifying information regarding any student, that identifying information should be redacted in accordance with 20 U.S.C.A. § 1092(f) as Indiana University is a public state institution.

I understand if I seek a copy of this record, there may be a copying fee. Could you please inform me of that cost prior to making the copy? I can be reached at jboppjr@aol.com

According to the statute, you have seven days to respond to this request.

If you choose to deny the request, you are required to respond in writing and state the statutory exception authorizing the withholding of all or part of the public record and the name and title or position of the person responsible for the denial.
